

**USGA RULES GOVERN ALL PLAY EXCEPT  
WHEN MODIFIED BY THE FOLLOWING LOCAL RULES**

- Environmentally Sensitive Areas are defined by Blue Stakes. NO ENTRY IS PERMITTED in these areas. If a stance or swing is affected by a blue staked area, FREE relief must be taken if ball is not inside penalty area.
- Local Rule B3 is in effect here. You are allowed to hit a provisional ball when the original ball may have entered a penalty area.
- Local Rule E5 is in effect. This is the new stroke and distance rule allowing you to take a drop no nearer the hole and up to two club lengths into the fairway by adding a 2-stroke penalty, instead of returning to your original spot to replay a lost or out of bounds ball.
- Local Rule F5 is in effect here. Free relief is given if you are on the green's collar and a sprinkler head is on your line of play within two club lengths of the green and two club lengths from your ball. Place the ball on the nearest point of full relief, no closer to the hole.
- Players must keep pace at all times. Please play ready golf! Our pace of play is 15 minutes per hole and 4.5 hours per round. Failure to keep pace may result in loss of playing privileges. If holes open up ahead, please allow the faster groups behind to play through.

**RATING/SLOPE**

Men's		Ladies'	
Black	73.1/138	White	75.1/134
Bk/B Combo	72.2/134	W/G Combo	72.7/129
Blue	71.2/131	Gold	71.2/128
B/W Combo	70.5/130	G/R Combo	69.8/119
